UNLIKELY PADDLEFEST

SEPTEMBER 15 – 18

To keep things simple the Fest is held at Quesnel (Quesnelle) Forks, a historic mining town where the Cariboo and Quesnel rivers meet. The Forks is located about 10 kilometers from Likely and has lots of FREE camping, just the way we like it. From here there is access to many lakes and two great rivers, the Cariboo and the Quesnel that offers class 1 to class 4 waters. Please be aware that all activities are done at your own risk!!
