

Likely Matters

COMMUNITY MATTERS

Likely Xats'ull Community Forest Ltd. and the Likely and District Chamber of Commerce would like to wish everyone a Merry Christmas and a prosperous New Year.

Hailey-Ann Dunbar laid the memorial wreath for School District #27 at the Remembrance Day Ceremony, under the watchful eye of the honor guard, Cpl. Matt Shearer and Cst. Shane Nicoll along with Staff Sgt John Dryden.

Likely Wreaths will have their homemade wreaths for sale for your Christmas decorating or gifts. Call Howard at 790-2360 to place your order. Thank you for the perfect wreaths for the Remembrance Day Ceremony.

Thank you to **Likely Lodge** for the wonderful spaghetti dinner for the Wildfire debrief and Chambers meeting. Although it was a small turnout, there was some great feedback and suggestions for Joan Sorely, CRD Area F rep, for future emergency planning. The Chambers meeting generated some ideas for the proposed Constitution changes, which will move forward at the next meeting on January 12th.

Likely Matters

LIKELY ELEMENTARY

STUDENT COUNCIL

At Likely School we've been learning and doing lots of work. There are currently 14 students, 7 intermediates and 7 primary. At lunch while the students go outside, student council is preparing for a raffle at the craft fair. We've been staying inside to do so. While outside the other students sometimes play a sport such as hockey and soccer, or they just play.

During science we've been working on learning about bats. The intermediate kids work with a primary kid and each partner is making a poster all about different types of bats. Each partner is making a poster all about different types of bats. Each partner is doing a different type of bat. The intermediates are working in partners and making a bat exhibit. We're researching interesting things about certain types of bats. For example did you know that the 'grey headed flying fox' is also known as the "fruit bat"? Also there are more than 1000 known species of bats in the world. As well bats can live up to 20 years of age.

I like school when it's close to Christmas because we get to do more arts and crafts.

In P.E. we have been playing several tag games such as rock, paper, scissors tag. In this game, when you are tagged you play the classic rock, paper scissors hand challenge, the loser sits on the bench until the person who beat them is benched then they can re enter the game. It's a continuous circle.

THANKS FOR READING

Stay tuned for more info next month

Hailey-Anne Dunbar, President, Students Council
