

National Energy Board BC Regional Office Open House

If you live or work near a federally regulated pipeline in north or central British Columbia please join us at our open house.

We want to hear from residents to understand your local concerns, and share information on our role as a lifecycle regulator including: emergency management, damage prevention, environmental protection and land matters.

Open House

Wednesday, June 27, 2018

6:30 – 8:30 pm

*Pioneer Complex
351 Hodgson Road
Williams Lake, BC*

To register or for more information, please email
infovancouver@neb-one.gc.ca
or call 1-604-666-3975.

The National Energy Board is an independent federal regulator of several parts of Canada's energy industry with the safety of Canadians and protection of the environment as its top priority. Its purpose is to regulate pipelines, energy development and trade in the Canadian public interest.
