

JULY 2018

Likely Matters

A Likely Show & Shine July 8, 2018

A reminder of **A Likely Show & Shine** from 10 to 2 pm on Sunday July 8, 2018. If you are planning to enter your vehicle, we would appreciate if you could register prior to July 8. Please contact Carole at 790-2317 who will be happy to provide you with a registration form and pick up your registration fee of \$25.00 which includes a T-shirt, a set of Show & Shine coins and a voting card.

If you are not entering a vehicle but would like to vote on the entries, voting cards will be available for \$2.00 at the Show & Shine.

A concession will be available and there will be a 50/50 draw and lots of prizes for our raffle. All proceeds from **A Likely Show & Shine** go to the Likely & District Volunteer Fire & Rescue Society. Thanks for your support and we hope to see you there!!

EMERGENCY PREPAREDNESS: The Likely & District Fire Rescue along with Kathy Brackett and Lisa Kraus have been working with Joan Sorely to develop a preparedness plan unique to our community. In event of an emergency, the community liaison, Lisa Kraus, alternate Kathy Brackett will communicate with the EOC (Emergency Operations Centre), the Likely VFR and the community of Likely. The Likely VFR will be in contact with the Cariboo Fire Centre (in the event of forest fire) and the Likely Community Hall will be the designated Information Centre. In the future, the Likely & District Fire Rescue will be hosting an Emergency Preparedness meeting.

As a first step, we encourage people to be personally prepared for an emergency: to know their neighbours and communicate with them, to FireSmart their homes and sign up for the Emergency Notification System so they will get notified by phone or e-mail if they are on evacuation alert or order. The new “**Prepared BC: Household Preparedness Guide**” is useful resource to get you started. A limited number of copies available from the Likely Fire Rescue or online at https://www2.gov.bc.ca/assets/gov/public-safety-and-emergency-services/emergency-preparedness-response-recovery/embc/preparedbc/preparedbc_household_preparedness_guide_web_final_2015.pdf

Fire Season Preparation: the LDVFRS is preparing a list of available forest firefighting equipment in the community. If you have equipment that the LDVFRS could use when necessary, please call Liz at 790-2426. Thank you again to all who supplied equipment last summer.

Thank you to all who have donated cans and bottles to the Lively & District Volunteer Fire & Rescue Society. Bins are located at the driveway to the firehall on Spooner Rd and by the downtown outhouse facility. If you are unable to drop off your cans and bottles, please call Denis at 790-2137 or Bill at 790-2317 for pickup.

We have misplaced a hand-held radio on a call, please call Carole at 790-2317 if you have found it.

Blue Bottle Program

The Lively & District Volunteer Fire & Rescue Society has received Blue Bottle Kits from the Williams Lake and District Seniors Activity Centre. This program is aimed at helping seniors help themselves prepare in the event of a medical emergency.

Blue Bottle Kits contain an instruction sheet, a personal medical form (one form per family member residing in the home) and a blue prescription bottle labelled "IN CASE OF EMERGENCY". Individuals complete the medical information form with details, their name, Doctors name, emergency contact, existing medical conditions or allergies, current medications and care card number. The completed form(s) are then folded and placed in the Blue Bottle which is then placed in the freezer section of their fridge. The kit also includes a magnet for the fridge door and a sticker for the individuals main entrance door to alert emergency personnel.

The kits will be available at the store or available upon request from Deanna at 790-2122. Deanna will also be available to assist anyone in their home who needs help in completing the paperwork.

Here to support you.
Proudly Serving

Likely Matters

Fire Bans & Restrictions as of June 26/18

Cariboo Fire Centre

Open burning is prohibited. See notes below.

A campfire ban is not currently in effect.

Forest use restrictions are currently not in effect.

Open Fire Prohibitions

Effective at noon on Wednesday, May 23, 2018, Category 2 and 3 open fires will be prohibited throughout the Cariboo Fire Centre to help prevent human-caused wildfires and protect public safety.

Specifically, prohibited activities include:

- ❖ the burning of any waste, slash or other materials
- ❖ open fires larger than 0.5 by 0.5 metres
- ❖ stubble or grass fires of any size over any area
- ❖ the use of burning barrels or burning cages or any size or description
- ❖ the use of sky lanterns
- ❖ the use of fireworks
- ❖ the use of binary exploding targets (e.g. for target practice)
- ❖ the use of air curtain burners

More Info: <http://bcfireinfo.for.gov.bc.ca/hprScripts/wildfirenews/DisplayArticle.asp?ID=2962>

Campfire Bans

There are currently no campfire bans in effect for the Cariboo fire centre.

Forest Use Restrictions

There are currently no forest use restrictions in effect for the Cariboo fire centre.
